A home for your most extraordinary Moments.

Drawing Room

Our beautiful and romantic drawing room is the perfect spot for your wedding breakfast, speeches, cake cutting and drinks and we can offer live music and dancing in our dining room, hallway or in the drawing room itself.

From fine dining, informal feasting, ambient background music or dancing the night away our spaces offer flexibility and beautiful backdrops. From a cosy winter wonderland wedding, expect roaring fires, a giant tree in the hall and candlelit dining or an early Spring scene with a pretty garden ceremony and the house doors thrown open for sea views whilst you dine!

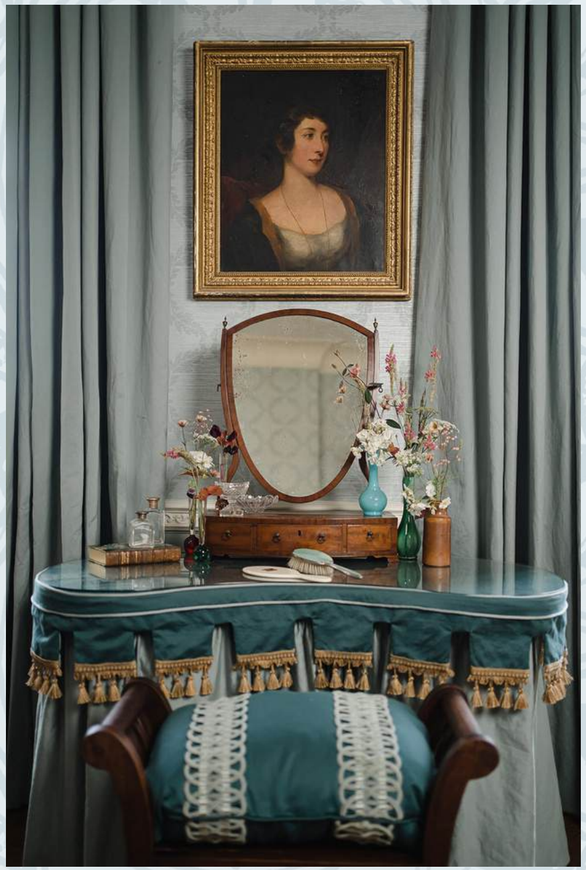

Pylewell House

Ceremonies

Say I do in the most romantic of settings. From our historic hallway, front steps, pretty house gardens or delightful dining room- we have space for up to 58 guests inside. You will also find St Mary's Church just at the end of the drive. We have a range of live music options, a piano in the drawing room, and we would be delighted to share our little black book with you for every supplier you might need.

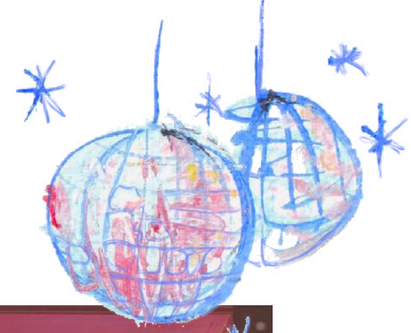

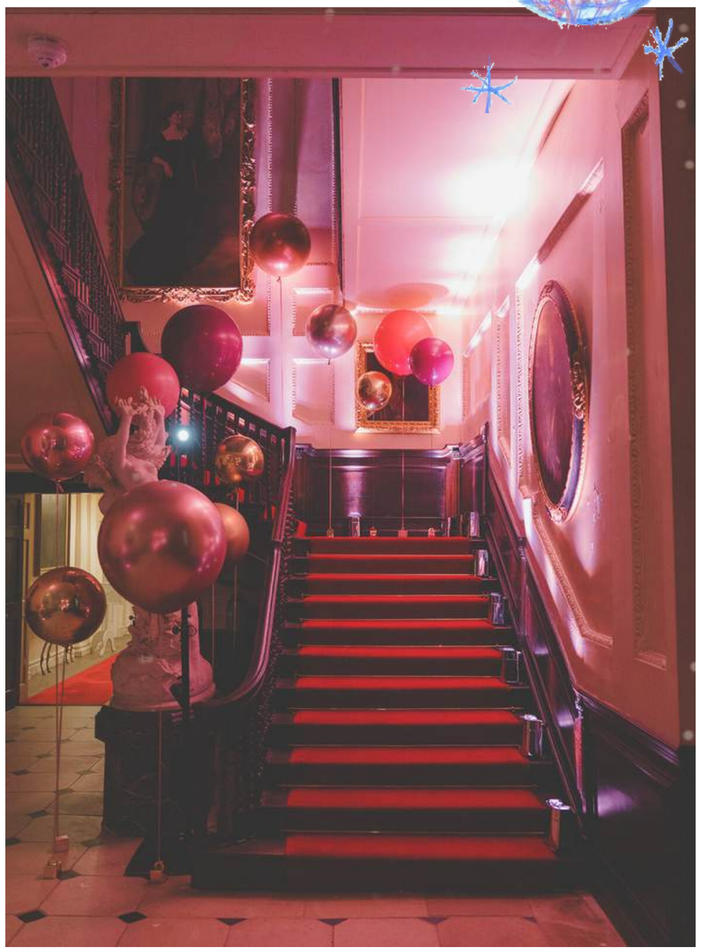

Catering

Ðelicious dishes, fabulous feasts, and joyful, shared tables.

We don't offer set catering packages. Instead, we work with four handpicked caterers—two local, two London-based—who each bring their own flavour, creativity, and flair to your wedding feast.

From fine dining to patisserie bars, seafood stations, cocktails and canapés (or something totally unexpected), these teams are all about imaginative, ingredient-led menus and beautiful presentation.

Good to know:

- Prices typically start from £130 per guest, depending on menu and caterer
- You'll contract and pay your chosen caterer directly
- All our preferred partners can help to dress tables, and will hire your linen, crockery, glassware in and arrange all the little details.
- You can bring all your own booze- let your caterers chill, serve and take care of it all! From fizz, cocktail hour to a full evening bar.
